

Minnesota State University, Mankato

Application for Use of Minnesota State University, Mankato's resources in Research or Scholarly and Creative Activity

Research proposals involving use of any University resources (e.g., IT) including, but not limited to, human resources, physical resources, (e.g. IT), University property, both real and personal, and any other resources that may be considered property under the domain of Minnesota State University, Mankato and/or the Minnesota State System shall be reviewed by the Associate Provost for Research and Dean of Graduate Studies. Data collection shall not begin until approval is received from the Associate Provost of Research. All completed applications, together with the Associate Provost of Research's recommendation, shall be kept on file in the office of the Associate Provost of Research, in compliance with the applicable University policies and procedures.

A letter of support signed by the authorizing individual for the college and/or division that is committing the resources and/or services is required. If you do not know from whom to obtain the letter of support, contact Dr. Pieter deHart (507-389-2321). The letter should fully detail the resources and/or services being contributed, providing documentation on the full nature of the support/commitment and those involved. For example, if you intend to modify space or equipment, you will need a letter of support from Facilities Management Division. In addition, if the research requires Institutional Review Board approval, attach the approval letter to this request.

Return the completed form and IRB approval letter if applicable and/or support letter if applicable to [pieter.dehart@mnsu.edu](mailto:pieter.dehart@mnsu.edu)
