

**Graduate Student Research Grant
What to Expect After the Proposal is Submitted**

DENIED Proposals

- Applicants can contact julie.joerg@mnsu.edu should they have questions about their proposal or the process.
- Applicants are encouraged to go over their proposal with their faculty advisors/mentor.
- Applicants are encouraged to submit their proposal for the next review cycle, if possible.

AWARDED Proposals

- All publications or presentations related to the proposal must acknowledge support from Minnesota State University, Mankato.
- College of Graduate Studies and Research will submit a CAO-2 to transfer funds to the department cost center for reimbursement once student has completed their research, providing all the required receipts and documentation.
- The student can submit their expenses via a CAO-21 to the department admin for reimbursement from the department cost center.
- Awardees will need to work closely with their department administrators and faculty mentors to spend award monies.
